

Danette Chorney
Rally Judge

I own, love, and train Labrador Retrievers and have been competing in AKC Rally, Obedience, and Agility since 2008.

My dogs and I have earned multiple UD & RAE titles, multiple High In Trial and High Combined awards, and multiple agility Championship titles.

I still actively show in AKC Rally and have qualified for 2016 Rally Nationals, and have also qualified for AKC Agility Nationals for the past 2 years.

I became an AKC Rally judge in 2013 out of my passion for the sport and I strive to make it a fun experience for exhibitors and their dogs. I enjoy having the best seat in the house to watch all the happy smiling faces and wagging tails, because it truly is all about teamwork and the bond between dog and handler.
