

STEPHANIE ABRAHAM
Jr. Showmanship & 4-6 month Puppy

Stephanie Abraham and her husband, David, have owned and bred Cavaliers since 1988. In that year, they imported Bembridge Resemble, a little dog of mostly Homerbred bloodlines who contributed significantly to the gene pool in those early days before AKC recognition. A founding member of the ACKCSC, Stephanie has been licensed to judge Cavaliers since 1996 and she and David have been licensed for Boxers since 1982. Currently Stephanie is head of ACKCSC Judges' Education, writes the 'AKC Gazette' breed column, is a DWAA award winning author, and has been on the Board of Directors since the club began.

Breeding both Boxers and Cavaliers under the Trefoil affix (currently 14 Cavalier conformation champions bred or owned), Stephanie & David live in a remote 18th century house in rural Connecticut. Among their other Cavaliers, they were proud to own two imported ROM champions— CH Elvenhome Keep Going and CH Elvenhome Crème de Menthe. In 2012 and 2013, two Trefoil MACH titlists were recognized. Stephanie is President of the Cavaliers of Southern New England. She was honored to judge Bitches at the ACKCSC National in Orlando in 2010.
