We'd love to have you join our Club!

Our members have different interests. Many are exhibitors in Obedience, Rally, and Agility; many exhibit in Conformation shows; some do Therapy work with their Cavaliers; some are breeders, and some just own Cavaliers as companions. Our common bond is that all of us love the Cavalier breed.

Who We Are

CSNE was founded in 2003 as a Regional Member Club of the AKC Parent Club for the Breed in the USA, The American Cavalier King Charles Spaniel Club.

www.ackcsc.org/

Drawing on a membership from the New England states (with a concentration in the southern tier), CSNE is dedicated to the health and welfare of the Cavalier. To that end, we encourage responsible breeding and exhibiting, both in Conformation and Performance AKC events.
